

Cerabase

For daily comfort

Ideal Standard

Simply sustainable

Water Saving

Cerabase basin mixers are equipped with either 5 l/min or 3.85 l/min aerators, which allows you to save water without compromising on the experience.

Eco flow regulator

Cerabase mixers can be retrofitted with a range of aerator inserts that further reduce the flow rate to 1.3, 1.9 or 3.0 l/min to meet LEED, BREEAM, or other environmental requirements.
(Only available for selected models; need to be purchased separately)

Greener packaging

We removed all plastic bags from the Cerabase packaging.

Waste Management & Recycling

100% of Cerabase brass waste material coming from the grinding and machining process gets recycled and reused to produce new taps.

FirmaFlow® Cartridge

Cerabase fittings are equipped with our durable and long-lasting FirmaFlow® cartridge which lasts for 500.000 use cycles, that is far above the European standard.

500.000+

10 - 15 years of daily use

Engineered to last

We pioneered the ceramic disc cartridge in 1969 and this innovation redefined the way people used bathrooms and made it possible to create the single lever tap.

As the ultimate development of the original ceramic disk cartridge, some 50 years on, FirmaFlow® is undisputed market leader with its innovative engineering and extraordinary powers of durability, comfort and control.

Smart benefits

EasyFix

Installation couldn't be easier with our EasyFix system, which cuts installation time by up to 30%.

SmartShine

The exceptional quality of the chrome finish makes our taps more resistant to scratches and easier to clean, offering you years of enjoyment.

Warranty

We want you to feel as confident as we are in our products, which is why we offer you our 5 year guarantee.

LightMove®

LightMove® technology ensures an effortless, smooth and precise adjustment of water flow and temperature.

IdealComfort

Cerabase comes in a variety of different heights to suit every usage, making your every day more comfortable. Height options range from 60mm to 150mm.
